GENERAL AND REVENUE SECRETARIAT

Serial Nos. One

Part B for August 1947

SUBJECT

Proposal to fix the Scale of pay of the Principal and Professor of Textile Technology, Sri Venkateswara Sastri Textile Technological Institute, Bangalore

G 3/9/47

General and Revenue Secretariat | File No. | of 194

Serial No.

E

Letter No. A1-4285 d. 13-6-1947 from the Principal and Joint Secretary, Sri K.S.J. T. Institute submitting proposals for (1) the revision of the Scale of pay of the post of Principal (2) Converting one of the two posts of Assistant Professors to that of a Professor.

In this office letter d. 25-1-1947 it was directed that the post of the Principal of the Institute might be advertised and proposals submitted for filling up the post. It is now stated that applications from persons in and outside the State had been received and that the Board after scrutinising the general and technical qualifications found that none of them possessed all the qualifications necessary for the Principalship of a degree College of Textile Technology. The Board has therefore resolved as follows:-

(1) that a scale of Pay of Rs. 800-50-1000 for the post of Principal and Professor of Textile Technology may be sanctioned;

(2) that the staff of the Institute may be strengthened by converting one of the two existing posts of Asst. Professors to that of a Professor in the grade Rs. 400-25-700;

(3) that Mr. Srinivasa Ghanshama, be appointed as Professor recommended for sanction under (2) above.

2) As regards (1) - the Board submitted proposals for the revision of the Scale of pay of the

Attn. Sheet

Serial No.

Principal from Rs. 400-25-700 to Rs. 600-40-800 and this proposal was not accepted vide this Office letter No. 3500 dt 25-1-47 (Kind reference is invited to paras 29-32 of the Notes in Ch 294-46-1) E

2) Re. (2) The Board was informed in this Office letter No. 3745 dt. 18-2-1947 that the question of creating another post of Professor might be taken up after the permanent Principal was appointed. 5

4) Mr. Srinagabhushana is now ag. Professor of Textile Technology in the grade Rs 400-25-700

5) The applications received for the post of the Principal have not been sent.

11) In March 1947, applications from qualified candidates were called for for the post of Principal and Prof. of Textile Technology on a pay of Rs 400-25-700 plus a duty allowance of Rs 100/- p.m. for attending to the duties of the Principal. In response to this advertisement it is stated that nine applications from persons in and outside the Mysore State have been received. A statement showing the particulars of each candidate has not been sent.

12) The Board of Management of the Institute which scrutinised the applications is of the opinion that none of them possessed all the qualifications necessary for the Principalship of a Degree College of Textile Technology. It is further stated that the scale of pay of the Principal which had originally been fixed at Rs 600-50/2-1000, has been reduced to Rs 400-25-700 plus Rs 100/-. This statement does not seem to be correct. When applications were called for the post of Professor and Head of the Textile Dept of the Sree Krishna-

NOTE—Contn. Sheet.

rajendra ~~Technologist~~ Silver Jubilee Technological Institute, Bangalore, in June 1935; the pay offered for the post was the grade of Rs 500-35-850 and Mr B. K. Murthy was appointed. Head of the institute and Professor of Textile Technology on a fixed pay of Rs 850/- on probation for a period of two years. Subsequently he was confirmed in appointment from 3-9-40 and given a pay of Rs 600-50/2-1000 as personal to him and started on Rs 900/- from 3-9-41 in that grade. Again when Mr Sree Nagabhushana was appointed as Acting Professor and Principal, he was allowed to draw acting allowance on the minimum pay of Professor's grade viz Rs 400/- and to draw acting allowance on the slage pay in the grade of Rs 400-25-700, if the arrangement were to continue for more than one year (vide G.O. No. 1171-4 Edn 9-43-32 dated 12-9-45.) It is therefore seen that the pay of the post in question has not been fixed and the grade of Rs 600-50/2-1000 was personal to Mr B.K. Murthi. 7 I J

Serial No.

13) The University Professor of the University carry the following grade :-

(1) Prof I class : Rs 700-30-850

(2) Prof II class : Rs 400-25-700.

14) As the Board feels that the grade of Rs 400-25-700 is not attractive and is not in commensurate with the qualifications necessary for the Principalship of a Degree College of Textile Technology, it is for consideration whether the pay grade of post may be fixed at Rs 500-35-850, the initial pay being fixed according to qualifications This is for orders.

15) Re: the conversion of the post of Asst Professor to that of Professor on Rs 400-25-700, kind reference is invited to the discussions in CB file no 293-46-(1), which contain a comprehensive note on this point. It was informed that this question may be taken up after the permanent Principal is appointed. Mr Sreenagabhushanam as Asst Professor is drawing a pay of Rs 300/- in the grade of Rs 200-$25/2$-300 from 4-9-44. He has

5

NOTE—Contn. Sheet.

been acting as Principal & Professor
from 8.4.46 & is in the existing pay
of Rs 800 + A.A. 40 + D.A. 100/- = 940

16) Points for orders.

(1) fixing the pay of Principal & Prof
at Rs 800 - 50 - 1000

(2) Conversion from post of Asst Prof
to that of Prof. in Rs 400 - 25 - 700

Submitted

17) The question of converting the post
25/1/47 of Asst. Professor to one of Professors may
perhaps wait till the permanent principal
is appointed, as already ordered by Govt. Vide S.

18) Since it has been reported that
well qualified people could not be had when the
appointment of principal & Professor was advertised
with a grade of Rs 400-25-700 + a D.A of Rs 100
as ordered by Govt on 25.1.47 (Flag B), the
old grade of Rs 500-35-850 which was given to
Mr. B.K. Kunthy when he was first entertained
may perhaps be revived so as to attract
Candidates with higher qualifications and
experience. The initial pay in the grade of the
selected Candidate may be fixed by Govt
according to his qualifications. The post will have
to be readvertised.

19) The Fin. Secy may also be consulted.
This will be a Council matter.

CIRCULATION NOTE.

Consequent on the retirement of Mr. B. K. Murthy, Principal and Professor of Textile Technology of the Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, applications from qualified candidates were called for in March 1947 for the post of Principal and Professor of Textile Technology on a pay of -- Rs.400-25-700 plus a duty allowance of Rs.100/- for attending to the duties of the Principal. It is now stated that in response to this advertisement nine applications from persons in and outside the Mysore State have been received and that the Board of Management of the Institute, which scrutinised the applications, is of the opinion that none of them possessed all the qualifications necessary for the Principalship of a Degree College of Textile Technology. Considering the present status of the Institute, and the onerous duties and heavy responsibilities of the Principal and the technical recognition that the Institute should receive in India and elsewhere, the Board has come to the conclusion that no candidate possessing the necessary qualifications and experience could be expected to apply unless the scale of pay offered was sufficiently attractive to such candidates and passed the following resolutions:

1. That the Committee do strongly recommend sanction of the scale of pay of Rs.800-50-1000 for the post of Principal and Professor of Textile Technology, the post being readvertised on the revised scale of pay as soon as it is sanctioned by Government.

2. That staff of the Institute be strengthened and its status raised by converting one of the two existing posts of Assistant Professors to that of a Professor in the grade Rs.400-25-700.

3. That Mr. Srinagabhushana, who was one of the applicants for the post of Principal be appointed as Professor when the post of Professor as recommended above is sanctioned by Government.

The acting Principal and Secretary, Board of Management of the Institute requests that the above resolution may be sanctioned.

It is proposed that the resolution of the Board may be accepted with the modification that the pay of the post of the Principal may be fixed at Rs.600-50-1000 the starting pay to be given depending upon the qualifications and experience of the applicant. The matter has been ordered to be disposed of by circulation.

Final Note by the Minister for Education and Public Health

Subject— Fixing the scale of pay of the Principal and Professor of Textile Technology, Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore

---

Consequent on the retirement of Mr. B.K. Murthy, Principal and Professor of Textile Technology of Sri Krishnarajendra Silver Jubilee Technological Institute, applications from qualified candidates were called for in March 1947 for the post of Principal and Professor of Textile Technology on a pay of Rs.400-25-700 plus a duty allowance of Rs.100/- per mensem for attending to the duties of the Principal. It is now stated that in response to this advertisement nine applications from persons in and outside the Mysore State, have been received and that the Board of Management of the Institute which scrutinised the applications, is of opinion that none of them possessed all the qualifications necessary for Principalship of a Degree College of Textile Technology. Considering the present status of the Institution and the onerous duties and heavy responsibilities of the Principal and the technical --- recognition that the Institution should receive in India and elsewhere, the Board of Management of the Institute has come to the conclusion that no candidate possessing the necessary qualifications and experience could be expected to apply unless the scale of pay offered was sufficiently attractive to such candidates and passed the following resolution:-

(1) that the Committee do strongly recommend sanction of the scale of pay of Rs.800-50-1000 for the post of Principal and Professor of Textile Technology, the post being readvertised on the revised scale of pay as soon as it is sanctioned by Government;

(2) that staff of the Institute be strengthened and its status raised by converting one of the two existing posts of Assistant Professors to that of a Professor in the grade Rs.400-25-700;

(3) that Mr. Srinagabhushana who was one of the applicants for the post of Principal be appointed as Professor when the post of Professor as recommended above is sanctioned.

The acting Principal and Secretary, Board of Management of the Institute requests that the above resolution may be sanctioned.

When the papers came to me, I minuted as follows:-

"The resolution of the Board may be accepted with the modification that the pay of the post of the Principal may be fixed at Rs.600-50-1000 and the starting pay to be given need not necessarily be the minimum but may be higher depending upon the qualifications and experience of the applicant."

EDUCATION SECRETARY

OFFICE OF
principal,
Sri Krishnarajendra Silver Jubilee
Technological Institute, Bangalore

Date 13 th June 1947.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Education Department, Bangalore.

CONFIDENTIAL
BRANCH
No. 52.95
Date 17/6

Sir,

I am directed to invite your kind reference to the correspondence ending with my letter No. A1/2169 of 14th March 1947 in the matter of filling up the post of Principal and Professor of Textile Technology at the Institute and to state that the Board of Management of the Institute at their meeting held on 12th May 1947 considered the applications received for the post in response to the advertisement in the Gazette and various other Newspapers. Nine applications from persons in and outside the Mysore State had been received. Copies of each one of the applications along with a tabulated statement of the particulars furnished by each candidate had been furnished to the members in advance.

An extract of the Proceedings of the meeting relating to this subject is given below:-

"Nine applications had been received for the post in response to the advertisement. A copy of each of the applications received, as well as a tabulated statement of all the applications, had been furnished in advance to each member.

The Board carefully scrutinised the general and technical qualifications, and the practical and teaching experience of each one of the candidates and found that none of them possessed all the qualifications necessary for the Principalship of a Degree College of Textile Technology. The Board felt that it was unfortunate that while the status of the Institute had been raised by the development of the Diploma Course into the B.Sc.(Text.) Course, the scale of pay of the Principal which had been fixed originally at Rs. 600-50/2-1000 (the person appointed having been given a higher pay than the minimum in that scale) had been reduced to Rs. 400-25-700 plus Rs. 100/-, It was also realised that the difficulty of securing technical personnel with high academic qualifications and Practical experience was greater in the present conditions when there was larger demand for such persons by the industry than it was when the Institute was started.

P.T.O.

Considering the present status of the Institution and the onerous duties and heavy responsibilities of the Principal and the technical recognition that the Institution should receive in India and elsewhere the Board came to the conclusion that no candidate possessing the necessary qualifications and experience could be expected to apply unless the scale of pay offered was sufficiently attractive to such candidates.

The Board considered also the question of strengthening and raising the status of the staff in view of the starting of the B.Sc.(Text) Course in the Institute. As the present scale of staff consisted, among others, of a Principal and two Assistant Professors, it was the unanimous opinion of the Board that one of the Assistant Professorships should be converted into a Professorship on Rs. 400-25-700, to which Mr. Srinagabhushana who had applied for the post of Principal could be appointed" (vide correspondence ending with letter No. 3745/C.B. dated 18th February 1947 from the Education Secretary to the Government of Mysore).

"Accordingly, it was resolved:

"(1) that the Committee do strongly recommend sanction of the scale of pay of Rs. 800-50-1000 for the post of Principal and Professor of Textile Technology, the post being re-advertised on the revised scale of pay as soon as it is sanctioned by Government.

(2) that staff of the Institute be strengthened and its status raised by converting one of the two existing posts of Assistant Professors to that of a Professor in the grade Rs. 400-25-700.

(3) that Mr. Srinagabhushana, who was one of the applicants for the post of Principal be appointed as Professor when the post of Professor as recommended in No. (2) above is sanctioned by Government'".

- The financial implications of the recommendations of the Board are as follows:

Existing:	Scale	Average Annual expenditure
Principal and Professor	Rs.400-25-700 + Allowance Rs. 100/-	8,120
Assistant Professor	Rs.200-25/2-300	3,600 (the incumbent is drawing the maximum in the grade)
(A)	Total Rs.	11,720

(Continued)

Proposed:	Scale	Average Annual expenditure
Principal and Professor	Rs. 800-50-1000	11,360
Professor	400-25-700	6,920
(B)	Total	18,280

Additional Annual Expenditure (B-A) = Rs. 6,560/-

The present proposals thus involve an additional expenditure of only Rs. 6,560/- per annum which can be met from the savings in the grants under "Salaries" for the Institute for the year 1947-48, necessary provision being made in the Budgets of future years.

In view of the fact that the next working session of the Institutue commences from 24th June 1947 and the Second year class of the B.Sc.(Textiles) Course will also be formed as from that date and it is therefore essential in the interests of efficiency of instruction and training imparted in the Institute to make very early arrangements for the appointment of the permanent head of the Institute and to strenghen the staff and raise the status of the Institute, I am to request that Government may be pleased to approve the resolution of the Board and pass early orders sanctioning

(1) a scale of pay of Rs. 800-50-1000 for the post of Principal and Professor of Textile Technology to be filled up after re-advertisement on the revised scale after sanction.

(2) the strengthening of the staff of the Institute and raising its status by converting one of the two existing posts of Assistant Professors to that of a Professor in the grade Rs. 400-25-700, and

(3) the appointment of Mr. Srinagabhushana, Ag. Principal and Ag. Professor to the post of the Professor recommended for sanction under (2) above,

the extra cost on account of these being met from the savings in the Budget grants to the Institute under "26, Education, 9½, Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore--Salaries"

P.T.O.

for the year 1947-48, necessary provision being made in the Budgets of future years.

I have the honour to be,

Sir,

Your most obedient servant,

Sriapabhushana 13/6.

AG. PRINCIPAL
AND SECRETARY

Proceedings of the Govt of H. H. the Maharaja of Mysore.

Read:-

Letter No. A1- 4285 dated 13th June 1947 from the Principal and Secy, Board of Management of S.K. S.J.T. Institute, Bangalore, ~~requesting for~~ sanction to the ~~approp~~ the resolution of the Board passed at a meeting held on 12th May 1947.

Order No. 839-40 Dated 19/8/47
Ch 60-47-1

It is stated that nine applications from persons in and outside the Mysore State were received in response to an advertisement calling for applications for the post of Principal and Professor of Textile Technology at the Institute on a pay of Rs 400-25-700 plus an allowance of Rs 100/- p.m. These applications were carefully scrutinised by the Board of Management of the Institute as regards the

Issued on 19/8/47
Signed by Mr M Malleswaraiah

the general and technical ~~qualifications~~ qualifications and the practical and teaching experience of each one of the candidates and the Board found that none of them possessed all the qualifications necessary for the Principalship of a Degree College of Textile Technology. It was also felt that, while the status of the Institute had been raised by the development of the Diploma course into B. Sc., (Text) Course, and considering the present status of the Institution and the onerous duties and heavy responsibilities of the Principal and the technical recognition that the institution should receive in India and ~~else~~ elsewhere, no candidate possessing necessary qualifications and experience could be expected to apply unless the scale of pay offered was sufficiently

attractive to such candidates.

The question of strengthening and raising the status of the staff in view of the starting of the B.Sc., (Text) Course in the Institute was also considered by the Board and it was the opinion of unanimous opinion that one of the posts of Lecturer Professorships should be converted into a Professorship on Rs 400-25-700.

It was accordingly resolved that:

(1) that the committee do strongly recommend sanction of the scale of pay of Rs 800-50-1000 for the post of Principal & Professor of Textile Technology, the post being re-advertised on the revised scale of pay as soon as it is sanctioned by Govt.

(2) that the staff of the Institute be strengthened and its status raised by converting one of

the two existing posts of
Asst. Professors to that of a
Professor in the grade
Rs 400-25-700.

(3) that Mr. Srinagabhushana,
who was one of the applicants
for the post of Principal
be appointed as Professor when the post
as recommended in No. (2)
above is sanctioned by Govt."

Govt. are pleased to sanction
the resolution of the Board
with the modification that
the pay of the post of the
Principal be fixed at
Rs 600-50-1000 and that the
starting pay to be given
need not necessarily be the
minimum scale but may
be higher depending upon
the qualifications and
experience of the applicant,
the extra cost involved thereby
being met from the

the savings in the Budget grants of the Institute under ₹ 26, Edn - 9 A. Sri Krishnarajendra Silver Jubilee Technological Institute, Bangalore, - Salaries, for the year 1947-48.
